

The Souvenir Card JOURNAL

FOURTH QUARTER 1993
VOLUME 13 NUMBER 4

THE OFFICIAL PUBLICATION OF THE SOUVENIR CARD COLLECTORS SOCIETY

SEASON'S GREETINGS! An enlarged copy of one of the six designs offered by the ABNCo in their Christmas and holiday note cards for 1993 (see page 38) expresses the Society's wishes to its membership for a healthy, happy, and prosperous Christmas and holiday season, and for the New Year! May each of you find that elusive error, hand-pulled or one-of-a-kind item.

◇ With this issue I complete my first year as your Editor. I have enjoyed it and I hope you have also. I have attempted to produce an informative publication in a timely manner. My goal is to continue that effort. Your help/input in achieving that goal is sincerely appreciated.

◇ Questions have been raised regarding a new edition of our catalogue. I call your attention to **Art Benjamin's** comments on page 2 of this issue. My own feelings are that any catalogue should have, as its primary purpose, information for its readership. To reproduce the same information in subsequent editions seems, to me, both redundant and expensive. Why not a loose-leaf volume that can be added to/updated as time, energy AND monies allow? I have started to reproduce reduced (30%± of original size) copies of recent cards in a "catalogue" type format with a minimum amount of information that doesn't change over time within the normal production of this Journal. (Some have suggested that the illustrations could be smaller, but in my opinion they would be barely useable.) One idea would be that members could, perhaps, photocopy these pages, punch them, and put them into a binder. Over a period of time a "full" illustrated catalogue might be reproduced, without the inherent loss of a timely Journal and the resultant problems that Art discusses. Subsequent, and replaceable, pages might attempt to give quantities printed/sold, market "values," etc., without the need for reproducing the basic material. I welcome the idea of updating our catalogue and will support it in any way that I can. Both Art, I, and the rest of the Board look forward to your comments.

◇ This issue contains an interesting (and timely, considering the BEP decision to start anew in printing silk handkerchiefs) article which should update the membership on the subject of what the BEP has printed on silk. Here, again, the pages could be copied and punched for a binder. This is also true of the SCCS number compilation series that concludes in this issue. In the future, I will take up where these lists end and/or with any further corrections/additions that are brought to my attention. In that regard, a simple postal card will do. Please don't expect a comment made in person at a show will get recorded in detail by yours truly. If you have information, surely 19¢ and a few minutes

won't keep you from sharing it with the membership!

◇ The "Intaglio Cards Available..." listing at the back of this issue will continue in that location for ease of reference. It will only be as complete as the information I have received. I intend this listing to be informative and as a timely alert. (It is not intended as an "ad" for any of the material listed!) This Journal, on a quarterly basis cannot compete with monthly or weekly publications that may receive/publish information faster than I can here. I'd like to hope that many of you subscribe to other publications, but in any event, I will include any intaglio items as soon as I am aware of them.

I also plan to keep the SCCS auction at the centerfold (it's **Ken Barr**, not Hugh Hefner!) as an additional convenience to the casual reader.

You may also note that in reporting card dimension information, I use width x height. I also use "canceled" rather than "cancelled" and/or any of its other variations, except "cancellation." This is not an error. I have been advised that in philatelic exhibiting the double "l" is only acceptable in the latter use—at least in this country. You may use what you wish in your writing and, PLEASE DO!

◇ **Bob Hallet's** little quiz continues in this issue and I plan to eventually include both an answer (guess) submittal sheet with miniatures of the full-size prints as they have/will appear here. I will also include an issue/page reference for those who need help in finding the originals.

◇ In this column in the first quarter issue, I expressed concern over the number (26 at that time) of intaglio cards expected for the year—and I was only talking about BEP and ABNCo output. Little did I realize that we would be inundated by a total of at least 50 loose cards, plus the five "hand-pulled" cards, a "book" of 12 items for the IPPU 100th Anniversary and a set of seven progressive proofs from FMA/BIA! This does not include any other intaglio items that appeared throughout the year. Wow, one better consider a bank loan for 1994!

◇ I wish you all a healthy, happy Christmas and holiday season and a prosperous New Year!

No. 3 (see SCJ 13:2, p.22)

No suggestions nor comments since our last issue! I must be doing a great job and all members out there are fully satisfied by the Society. I thank you for this silent vote of support. In case you do want to talk, I have added another option to mail and telephone: COMPUSERVE. You can reach me through their mail service. My number is 72133,1147. I am new at this type of communication [computer], but it looks like an efficient cost-effective way to correspond.

◇

In my last column I complained about the load of responsibilities with which I found myself. I thank the members who responded. One of my fellow members in the Metro Chapter expressed a willingness to take over the Treasurer's job. If this comes to pass, it will relieve me of a major responsibility, and it is a good management practice to have these duties separate.

I am also reviewing offers for help with the job of card cataloging. As I think the final number responsibility should lie with someone with extensive forerunner experience, I will continue to serve as editor for the numbering system with the preponderance of my efforts devoted to FSO and forerunner material. **Bill Kriebel** and other members will support the work as respect to the BEP and ABNCo programs.

This leads to the most often asked question during my service as an officer of this Society. When are we going to upgrade the catalogue and can we add pictures? The Board of Directors have discussed this issue and we agree that this is an important undertaking. Our problem lies in who will do all the work, and how will the Society pay for it. Our catalogue was published in 1989. It is a marvelous piece of work and represents several years of effort by **Curt Radford**. The cost of the project was about \$18,000. We were able to pay for this by substituting a whole year's worth of Journals (1988) for the catalogue. That substitution and disruption cost us many members who dropped out of the Society because we went a year without publishing a Journal. I do not think that any of us want to go through that again. However, if there is a group of members who want to form a committee to look into this project, we on the Board would strongly encourage it.

◇

We just participated in the ASDA Mega Show, where ABNCo issued three cards and demonstrated their spider press. The BEP and the Fish and Wildlife Service participated and each issued a card. Our society had a bourse table and a Saturday meeting. The Metro Chapter made a special mailing to its members alerting them to the events. So, with all these factors, I expected a substantial membership turnout. Over the course of the four day show, 22 members stopped at the table to sign the attendance sheet and only about 15 people were at the meeting on Saturday! This disappointing attendance leads to the question of where to hold our next annual meeting.

We have never held the annual meeting in the New York area. I thought the growth of the Metro Chapter suggested a substantial active membership in the area. Combine this with the BEP press, ABNCo participation, and at least three intaglio cards, I thought these positive factors would produce an outstanding annual meeting. Now I am not so sure.

The Society will have representation and a meeting at the following 1994 shows: FUN, ANA Mid-Winter, IPMS, ANA, and ASDA [for places and dates see pp. 47-48]. At each of these shows, souvenir cards will be issued and a spider press will be demonstrated at most of them. Please plan to attend and participate in our activities by manning our table and/or attending the meetings. **John Parker** will be in charge of our participation at these meetings except for NY where the Metro Chapter will handle it. In addition, the Washington Chapter will be holding three meetings [see p.37].

We would like to add more meetings particularly in the Midwest and Western parts of the country. To accomplish this we need members to step forward and organize our participation. Next year should be the year souvenir card collecting comes out of the closet.

I would like some input on where to hold the next annual meeting. In addition, it is not too early to start thinking about participation and a possible annual meeting at the stamp show, PACIFICA'97, in San Francisco. This show will be similar to AMERIPEX'86 which was one of the best collecting experiences of my life!

If you haven't paid your 1994 dues yet, please get up right now and take out the addressed envelope from the last issue and your checkbook and write that check now! This will save the work and expense of a dues "reminder." [check the date over your name on the address label, if it reads "1993" your dues have not been received]

We are making one change—eliminating the membership card. These were hand-printed, signed, and mailed to each member. The cost is prohibitive and we would rather spend the money and time on our annual souvenir card and a quality Journal.

◇

By the time you get this Journal, the year should be winding down. I thank Bill Kriebel for pro-

ducing our Journal on a regular basis. We will have published all four issues in the calendar year. This timeliness is one of several positive improvements of our Society this year. Our auctions have been handled beautifully by Ken Barr with prompt payments to the consignors and correspondence which keeps them informed of the status of their material. We have two strong local chapters and we have a board of dedicated officers. We have 550 members at the close of 1993. With your help, I think we have a realistic goal of 600 members for 1994.

Enjoy the holidays! I wish everyone a Happy New Year. Together we will enjoy our hobby!

MEMBERS WRITE AND OTHER MATTERS

SCCS Membership

◇ Robin Ellis (SCCS 120) advised that he had a card similar to Frank Clark's (SCJ 13:3, pp. 36-37) as well as a collection of related items from the original BEP announcement through the dedication ceremony and daily tour I.D. cards. The former editor also caught three typos in the last issue proving that like "old soldiers," editors "never die." Lee Quast (SCCS 849) name was misspelled on page 2, totally my fault. Sorry, Lee! The other errors had to do with Robin's home state and the card/article. Sorry, but this one goes to Frank, and the handwritten note that I tried to "translate." Peter Daly not Dalz was the BEP Director and Robin's Senator is Gramm. I would appreciate, especially where names are involved, that such information be typed or hand lettered so that it will be correct when it appears here.

◇ Herb Meisels (SCCS 3) advises that pictorial show cancels can be obtained by mail by submitting the cards with stamps applied to the USPS requesting the cancel under Section 164.42 of the Domestic Mail Manual. This would allow one to obtain show-canceled cards without having to attend the shows which are often remote and/or expensive to get to in person.

◇ Dana Marr passed along a letter from Dr. Fred Skelton (SCCS 855): "Joining SCCS (almost a charter member) was a great decision. I am unable to do any traveling and look forward to receiving the Journal each quarter. It has enabled me to build a great collection of about

1500 cards (B.E.P., ASDA, SPM, SO, PS, F & misc private). The Journal keeps getting better. My thanks to all."

◇ Dana Marr advised that the dues envelope seemed to be successful as a convenience for members to renew their dues and, as an update, will include the year that your dues are paid through above your name on the mailing label.

◇ Mike Padwee pointed out a correction to his address (see page 48). I hope no one was inconvenienced by my leaving out the street address.

◇ Eugene Gottreich (SCCS 12) asks about a UN Souvenir Card (UN 29): He has it with NY, Geneva and Vienna cancels, but he also has a Chicago cancel. He would like to know if it is listed anywhere.

◇ Charles Blankenship (SCCS 317) objected to the ABNCo offering older cards (SCJ 13:3, p.14) which should be resolved with their newly stated policy (see page 38).

◇ Gerald R. Firak (SCCS 1582) expressed his objections to the proliferation of cards and the questionable availability of some. He was particularly concerned about those cards only available at shows, whether they be from our own local Chapters or the "hand-pulled" cards by ABNCo and the BEP. Availability of these cards is discussed elsewhere in this issue.

In the short time since the 1992 articles on the Bureau of Engraving and Printing Handkerchiefs appeared in the SCJ (see SCJ 12:2, p. 13-28; 12:4, p. 17-22), there has been a flurry of activity and several new discoveries. The discoveries include information that the BEP did not actually sell the handkerchiefs or souvenir cards directly to the public, but instead left that activity in the hands of concessionaires. Apparently these concessionaires also handled the products of the U.S. Mint. L.B. Richards was the concessionaire for the 1904 Louisiana Purchase Exposition (St. Louis, MO) and the 1905 Lewis and Clark Exposition (Portland, OR). Fred B. Rhodes apparently handled all other Expositions, including the 1926 Philadelphia Sesquicentennial Exposition. Handkerchiefs accompanied by the original packaging sleeves have been the source of this information about the concessionaires. If you have such a packaging sleeve, please contact the Editor.

Previously unknown handkerchiefs have surfaced, including one with a multiple vignette combining the Alaska-Yukon-Pacific Logo and the Hatch Eagle on a plain bordered handkerchief. Another new find is the Panama-Pacific Exposition Handkerchief with the border of 50 flags of the world and the U.S. flag located in each interior corner. The central vignette is of President Wilson and Vice President Marshall. The border of this handkerchief is identical to the border of a previously known Panama-California handkerchief. The store of known handkerchiefs now encompasses 122 individual handkerchiefs.

There are several logical conclusions that can be drawn from the data at this point:

1. At each exposition, silk handkerchiefs were supplied by the concessionaire to the Plate Printer at the Spider Press exhibit of the BEP. Both souvenir cards and handkerchiefs were printed by the Bureau's Plate Printer at the exhibit and then turned over to the concessionaire for sale to the public. Handkerchiefs supplied by the concessionaire were apparently from importers or from local merchants and were imported handkerchiefs from China. The ladies' styles of these imported handkerchiefs were machine embroidered. At earlier expositions (1870-1900), there were exhibits by manu-

facturers of embroidery and sewing machines. The public was given the opportunity to have their own name embroidered on a sample handkerchief with a thematic emblem of the exposition. These personalized samples are on linen, cotton or silk. Silk was often "weighted" to increase its selling price. The process involved the addition of Stannic Chloride or Lead Plumbate to the material to increase its physical thickness and weight. The treatment resulted in a smoother surface but decreased the life of the material. "Weighted" silk was used at the early expositions, whereas the material used in the Bureau-printed handkerchiefs is "pure-dye" silk (untreated silk). The earlier handkerchiefs were printed using lithographic techniques or were printed using copper-plate engravings. The use of "weighted" silk improved the quality of the printed image. The quality of these early handkerchiefs is much below that produced with the intaglio engraved steel plates used by the BEP. Many different handkerchiefs, bandanas, scarves, napkins and table runners were provided at fairs, expositions and political gatherings. None of these items compare to the quality of the BEP products in their printed decoration.

2. The BEP handkerchiefs have repeat designs of embroidery used for different vignettes for the same exposition and for expositions at which the same concessionaire was present. Therefore, we can probably assume that the concessionaire purchased the material from the same source of the fairs at which he participated. Of course, there is also the possibility that he carried his raw handkerchief excess stock to his next assignment. There does not seem to be a duplication of embroidery designs between different concessionaires. The known embroidery are illustrated on the accompanying pages, but the vignettes require more space than is available here. Additional date can be obtained by directly contacting the author at 30799 Pinetree Road, Suite 203, Cleveland, OH 44124.

3. The men's standard plain-hem handkerchief design was used at all the expositions and would have been readily available at most locations to both concessionaires. This availability is the reason that all the multiple vignettes are on large men's plain handkerchiefs and that only

the 1905 small vignette of Lewis and Clark plus the Eagle appear as a multiple vignette on an embroidered ladies' handkerchief. It is a safe assumption that we will find the men's plain square handkerchief was offered for all the vignettes issued by the BEP.

4. It is the writer's personal feeling that eventually we will find that all the known Exposition Souvenir Cards for each specific exposition were also supplied as handkerchiefs at the Exhibit Hall. Obviously, there weren't too many printed of each design, but based on current knowledge of the existence of Louisiana, Jamestown and Alaska-Yukon-Pacific, all vignettes were made into handkerchiefs.... Time will be the proof!

5. The hiatus of handkerchiefs from 1915 to 1926 was caused by the cancellation of all World Fairs and Expositions throughout World War I and the recovery period following. It is logical

to believe that the handkerchief currently attributed to the 1919 St. Louis Industrial Exposition is in reality an error in attribution; it may just be an attachment of a poster stamp to the handkerchief as a simple way of keeping two different keepsakes together.

It has been necessary to change the numbering system used in previous articles to accommodate the number of new items that have appeared and to accept the balance of those anticipated to be found. The numbering system is now directly based on the SCCS's numbering system and the SCCS Catalog descriptions for the souvenir cards issued for each Exposition. A suffix Arabic number has been added to the SCCS number to identify the individual design differences among the known handkerchiefs.

The following listings include all handkerchiefs printed by the BEP that are known to the author.

THE BEP HANDKERCHIEF DATA COMPILED BY M.R. FRIEDBERG

NOTE: All numbers are subject to change with new discoveries!

Souvenir Card Collectors Society (SCCS) Numbers are equivalent souvenir card or vignette.

All handkerchiefs printed from intaglio engraved plates using black ink unless otherwise specified.

'UNREPORTED' is used to indicate that a handkerchief probably will be found to match existing Souvenir Card.

It is believed that we will eventually find handkerchiefs matching all standard Souvenir

Cards issued by the BEP for each of the Expositions at which the BEP exhibited.

It is also believed that plain hemmed edge men's handkerchief will be found for each listing.

[The "Early Souvenir Card" article (SCJ 13:3, pp.34-35) prompted this response from our former editor, who has an extensive library of military references. Ed]

Fitz John Porter, listed as "Cashier" on the card was apparently cashiered out of the army during the Civil War. Some say he was cashiered for neglect of duty and incompetence and some say he was "outed" [sic] because of his contempt for a superior and his statements made about same. Porter is included in *Personnel of the Civil War* (Amann, 1961): "Big-General Fitz John Porter, U.S. Vols., from July 4, 1862; out of service Jan. 21, 1863." Note the "out of service," a rather strange comment. It would be presumed that he was retired or that he resigned but it is/was a euphemism to cover his cashiering.

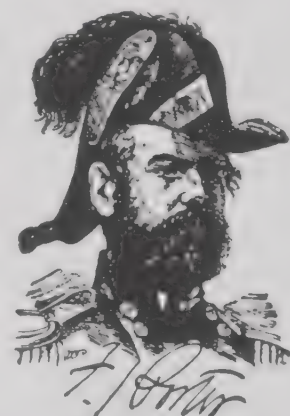

From *The Civil War Dictionary* (Boatner, 1959): Born 1822 and dies 1901. He graduated from USMA in 1845. In the Mexican War he was wounded once and received two brevet (rank, but not the pay) promotions. Colonel, 15th Infantry (Regiment), 1861, then appointed Brigadier General, U.S. Volunteers three days later. He served in, and through, at least nine major campaigns (one of which was Antietam) and was a Major General at the time of his "out of service." He was relieved by Gen. John Pope, his superior, for "disobedience, disloyalty, and misconduct in the face of the enemy" and was drummed out (cashiered) on 21 January 1863.

He petitioned the President for re-appointment to the army and command. This was granted—in

the grade of Colonel—in 1886. In the meantime (1863-1886) he had been a mine superintendent in Colorado, merchant, and N.Y.C. Commissioner of Police, Fire and Public Works. And, seemingly, a member of the U.S. Postal Service (possibly political influence?). He was also in the construction business. In 1869 he was offered a position in the Egyptian Army by the Khedire but which he turned down. At the time of his reappointment to rank and position of Colonel of Infantry (with date of rank 14 May 1861 which was three days before his original appointment to Brigadier General, U.S. Volunteers) he was immediately retired.

He was a cousin of the brothers David Dixon Porter (Admiral, USN) and William David Porter (Commodore, USN). These two were the sons of Commodore David Porter, USN and half-brothers to Admiral David Glasgow Farragut, USN (1801-1870). William David Porter had two sons who served the Confederacy.

Rather convoluted, isn't it?

Portrait which appeared in *National Cyclopaedia of American Biographies*, Vol.IV. (White, 1897).

SCCS SOUVENIR CARD NUMBERING SYSTEM COMPILATION—3

Continuing on the following page is an SCCS Number compilation of the United States Postal Service (PS), Bureau of Engraving and Printing (B), and private security printer (SO) cards in chronological order. This concludes this number compilation which has appeared in the last two issues of this Journal.

Some errors and inconsistencies have been brought to my attention and some corrections have been made—SO 83 should be listed as issued in "King of Prussia," not "Fort Washington," (both are branches of the Norristown P.O.) and SO 106 & 107 were reversed—based on this input and a review of the previous lists.

"What's in a name?" I have long been concerned as to what to call the BEP "Special" prints and ABNCo's "Limited" editions. "Intaglio" does not seem to be appropriate when the regular cards themselves are intaglio. Then too, is what to call the "show-produced" copies.

The BEP started their "Special," "Proof" or "Demonstration" cards with the first "Eagle" (B 65) in 1982. This was followed by: two more "Eagles" (B 70 & B 72); three Statue of Liberty (B 74, B 78 & B 83); and three Liberty Bells (B 85/6, B 91/2 & B 95/6). I know of no way of telling if these cards were produced on-location or not. In 1987, the BEP Anniversary card (B 101) was embossed for six shows (B 101 A-F) and the State Shields series resulted in both "machine" and "hand-pulled" copies (B 109/109A, B 113/113A & B 117/117A) followed by the Centennial "proof" series of vignettes which the SCCS numbering system did not distinguish as being image duplicative, i.e., the Indian copies B 122

& B 123; Agriculture, B 127 & B 128; and the Declaration of Independence, B 130 & B 131. The show-produced versions were usually numbered, signed and may have other distinguishing marks of the hand process. The numbers went back to the "A" designation with the Eagles of 1990 (B 134/134A, B 137/137A, and B 141/141A). Since then, with the exception of B 146, the numbering system seems to have been consistent: B 141/141A; B 150/150A; B 154/154A; B 160/160A; B 160/160A; B 166/166A; B 172/172A; and B 174/174A. Confused?

In a similar manner, the "Security Printer" cards that might be considered "extra" started with embossing the basic show cards (SO 62A, 67A, 68A and 72A). ABNCo started producing "limited edition" cards and a "hand-pulled" card—separate and distinct from the show cards—in 1991 at STaMpsHOW with their Penn Treaty (SO 79A). These "on-location" produced cards are usually distinguished by a change in color(s) of the vignette(s).

Needless to say, in attempting to condense descriptions—and working over a period of time—my listings used different and, perhaps, confusing identifications. I have, therefore, in this listing used the terms "Handprint" or "Embossed" as appropriate. I hope I have used them correctly!

As indicated in the first part, this compilation is not intended to replace the comprehensive information included in the original listings. Dates of issue are written year-month-day, or year-"0000" if the information is not known. Your editor would appreciate further corrections, additions and/or comments. ➡ ➡

The Second Quarter 1993 auction was moderately successful, with the highlights being the ASDA 1992 serial #1 hand-pulled proof realizing \$525 and a show-canceled PS 1 Barcelona 1960 netting \$325. Over \$900 in donations and commissions resulted from this sale. The Third Quarter 1993 auction is still in process as this list is being prepared, so the recap report will be deferred until the next issue—due to a miscalculation on my part, the closing date was a month later than it should have been. This auction's closing date has been set to get everything back on schedule.

This current auction is mainly a listing of two major collections recently received, with a variety of nice new material at reasonable reserves. A few "recycled" lots unsold in previous auctions are included to round out the offering. It's about a third larger than previous sales due to an ever-accumulating pile of consignments on hand. Be sure to check out two special lots: #162 is a virtually complete set of PS cards and #309 is a virtually complete set of ASDA cards. The consignor set low reserves on these lots, so lots of action is expected!

Please check the enclosed listing carefully, as there are again plenty of potential bargains! I've again included some lots in which the consignors specified **no reserve other than our usual \$5 per lot minimum**.

AUCTION BIDDING RULES

1. MAIL BID CLOSING DATE: BIDS MUST BE RECEIVED BY THE AUCTION MANAGER NO LATER THAN **FEBRUARY 15, 1994**.

2. Send all bids and auction correspondence to the Auction Manager: Ken Barr, P. O. Box 32541, San Jose, CA 95152. Telephone inquiries may be made until 10:00 PM Pacific time at 408-272-3247.

3. Bid by lot number only. Multiple item lots will not be broken. The earliest postmark will decide tie bids.

4. Bid processing will be done manually, at least initially, so special instructions can be given. "OR" bids ("bid \$10 on lot 101 OR 102, one lot only") are acceptable, as well as "maximum ex-

penditure" limits ("please limit total winning bids to \$100 maximum"). Feel free to bid on any lots desired with the security that your winnings will be limited to the amount specified.

5. All items will be sold to the highest bidder. Bid reductions will generally not be made unless noted on special high-value lots.

6. Please observe a minimum bid of \$5 per lot. Some lots have higher minimums, denoted as MB \$xx in the lot description. Estimates (EV \$xx) are for information only, and have either been provided by the consignor, the current SCCS catalog, or the Auction Manager.

7. Lots will be shipped via insured U. S. Mail unless otherwise requested. Postage and insurance charges will be included in the bidder's invoice.

8. Successful bidders are to remit payment in full in U. S. funds within five days of receipt of their invoice. Late payments may disqualify the bidder from participation in future auctions.

9. Returns are acceptable within ten days of receipt of shipment. Please specify reason for return (damage, mis-attribution, etc.). Mistakes on bidder's part are not sufficient reason for return.

10. The Auction Manager reserves the right to withdraw any lot and to reject any unrealistic bids. Consignors are responsible for establishing any minimum bids that they wish to impose on lots submitted.

11. A "Prices Realized" list will be available shortly after the closing of the auction. Successful bidders and consignors will receive copies with their invoice or materials shipped. Others may request same by submitting a self-addressed stamped envelope to the Auction Manager.

12. Members wishing consignment information should write to the Auction Manager for details.

REMEMBER: BIDS MUST BE RECEIVED BY THE AUCTION MANAGER NO LATER THAN

FEBRUARY 15, 1994.

BACKGROUND

[William McKinley (1843-1901), 25th president of the United States (1897-1901), was born in Niles, OH, attended Allegheny College and, in 1871, married Ida Saxton. After serving in the Union Army, he was admitted to the bar and practiced in Canton. In 1876 he was elected as a Republican to the US House of Representatives, and in 1889 became chairman of the Ways and Means Committee. He wrote the protectionist McKinley Tariff Act (1890), which although unpopular with the public was highly regarded by Ohio industrialists, one of whom, Marcus A. Hanna, became McKinley's political manager. McKinley was elected governor of Ohio in 1891 and reelected in 1893.

In 1895, Hanna began a successful campaign to win the 1896 presidential nomination for McKinley. McKinley won the election over William Jennings Bryan, who ran on a platform of free trade and free silver coinage. As President, McKinley fulfilled his conservative Republican platform. He became involved somewhat reluctantly in the Spanish-American War but saw it quickly ended. He was easily reelected in 1900, this time with war hero Theodore Roosevelt as his running mate. On 6 September 1901, in Buffalo, McKinley was shot by Leon Czolgosz, an anarchist. He died on 14 September and was succeeded by Roosevelt. Ed.]

THE MEMORIAL ASSOCIATION

The purpose of the William McKinley National Memorial Association was the erection, at Canton, OH, of a monument and resting place for the martyred President, a victim of an anarchist's bullet and the medical technology of his day. McKinley had presided over our government during a time of prosperity, was a war veteran serving under later President Garfield, and saw some of the fiercest fighting of the Civil War. Both of McKinley's grandfathers were veterans of the Revolutionary War. McKinley's slogan, "The Full Dinner Pail," outweighed, at least at the polls, his second term challenger Bryan and accusations of imperialism concerning the Spanish American War.

After the assassination, Mrs. McKinley asked President Teddy Roosevelt to name the first board of the McKinley Memorial Association, which was headed up by William R. Day (1849-1923), President of the Memorial Association, statesman, lawyer and judge, who was born in Ravenna, OH. Day had been appointed by McKinley as Assistant Secretary of State in 1897 and Secretary of State in 1898. Day resigned this position to become Chairman of the US Peace Commission, which helped frame the treaty concluding the Spanish American War. After McKinley's assassination, Day was appointed Justice of the Supreme Court.

Marcus Alonzo Hanna (1837-1904), Vice President of the Memorial Association, business man, politician and legislator, was born in New Lisbon, OH. [Hanna is pictured above in an apparent full-size BEP engraving on a 6.25" x 10" sheet, photocopy provided by the author. Ed.]

Hanna was the undisputed boss of the Republican party in Ohio and supported McKinley as gubernatorial candidate in 1891 and 1893, and rescued McKinley from financial embarrassment during the 1893 panic. Hanna conducted a skillful and intensive campaign which resulted in McKinley's nomination for President on the first ballot in 1896. Hanna, McKinley's Campaign Manager, was named Chairman of the Republican National Committee. Some Republicans hoped to make him the 1904 Presidential candidate, but he contracted typhoid and died on 15 February 1904.

THE MONUMENT

Many artists and architects submitted plans for the memorial. The privilege was granted to H. Van Buren Magonigle of New York. The cornerstone was laid on 16 November 1905 and the Monument was dedicated 30 September 1907. The pink, Milford granite tomb stands on the summit of a hill. At the head of the grand stairway is a statue of McKinley, by Charles Henry Niehaus of Cincinnati, as he appeared when he delivered his last public address in the Music Hall at the Pan-American Exposition in Buffalo—where McKinley first questioned his protectionist tariff doctrine and advocated a reduction in customs by means of reciprocal treaties. Today an elevator has made the Monument accessible to the handicapped. The basin, directly in front of the Monument and over 500 feet in length, was once a reflecting pool but has since been filled in. In 1943 the administration of the Monument was placed in the hands of the Ohio Archaeological and Historical Society.

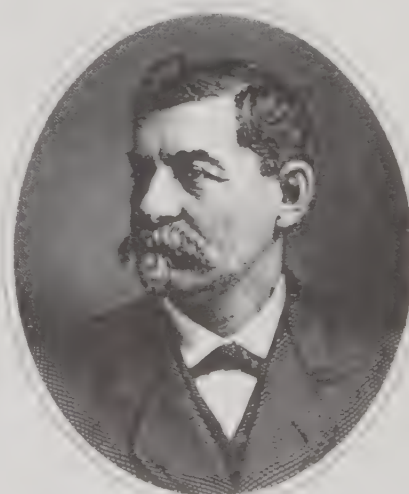

THE CERTIFICATE

Within weeks of the assassination, the Board of Trustees of the McKinley Memorial Association decided to issue the "souvenir certificate" as a receipt of a donation and a memorial to the late President, embodying a portrait of McKinley (by the photographer Mr. Prince), McKinley's Canton home and the White House. "GOD'S WILL NOT OURS BE DONE" surrounding McKinley's portrait were among his last words. Bids were taken from various printing companies and sketches were submitted by a number of artists before the Board decided to have Tiffany design and engrave a steel plate at a cost of

\$615.00. Five hundred thousand souvenir certificates were ordered on paper, and 5,000 on parchment, at a cost of \$1,650.00. (My guess is that a 1993 dollar is worth 4-5¢ of a 1902 dollar.) Apparently, it took Tiffany about six months to engrave the plate, as production did not begin before the middle of July, 1902. Considering the large size of the printing, I am surprised that I have never seen one offered for sale. The souvenir certificate was approved by Postmaster General Payne and distributed, in part, through post offices for a contribution of one dollar to the Memorial fund. Some certificates were given to school children for contributions of less than 10¢. The sale of 505,000 souvenir certificates (FSO 1902 A), and other donations, raised the necessary \$ 600,000 for the erection of the monument.

(Special thanks to the Stark County Historical Society at The McKinley National Memorial for giving me access to the "Transactions of the Board of Trustees" of the McKinley National Memorial Association.)

[A full size reproduction of the souvenir certificate mentioned in this article appeared in the last issue (SCJ 13:3, p. 33) in a brief item by the same author, a reduced size copy appears on the next page. SCCS President Emeritus Curtis Radford wrote an extensively illustrated article on McKinley (see SCJ 10:1, pp. 13-27 & SCJ 10:2, pp. 17-35) and his life on souvenir items. Ed.]

INTAGLIO CHARITY CARD AVAILABLE

AMERICAN LUNG ASSOCIATION OF OHIO

The Christmas Seal People[®]

This turn of the century eagle stock certificate vignette, from the archives of a bank note company, was intaglio printed directly from the original hand engraved die. The eagle, symbolizing freedom, invites us to share in the pleasure of giving to those who need it most; the greatest gift of all, the gift of health. The 1993 proceeds from the sale of this souvenir card will help fight the battle against lung disease through education, research, and treatment.

It's a Matter of Life and Breath[®]

As part of the 1993 fund raising effort by the "Christmas Seal people," The American Lung Association of Ohio has issued an intaglio souvenir card. A hand engraved stock certificate die picturing an eagle and some scroll work was used on 8" x 5.75", 80 lb. acid-free stock. The writing and the trademark cross of the ALA are printed in red. The cross was the coat of arms of the leader of the first crusade, Godfrey of Bouillon (c.1058-1100), Duke of Lower Lorraine, and the first ruler of The Latin Kingdom of

Jerusalem. Various legends grew up around him and his deeds are glorified in medieval France.

The card is available from **John Denune, 234 E. Broadway, Granville, OH 43023**, for \$5.00 post-paid, with 100% of the proceeds going to the ALA to help fight the battle against lung disease through education, research and treatment. Further information: **Kay Madden, ALA of Ohio, 1700 Arlington Lane, Columbus, OH 43228 (614) 279-1700.**

OTHER CARDS AVAILABLE

[Reported here is information on souvenir cards received from various sources. Items listed are NOT INTAGLIO, unless otherwise noted. Ed.]

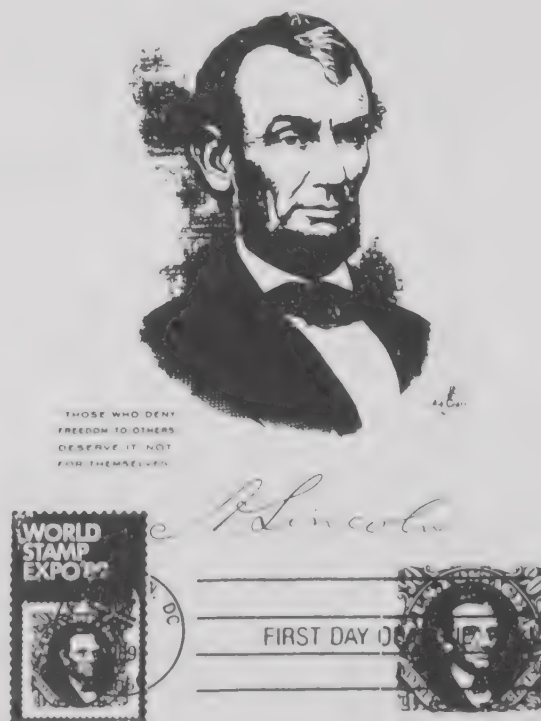

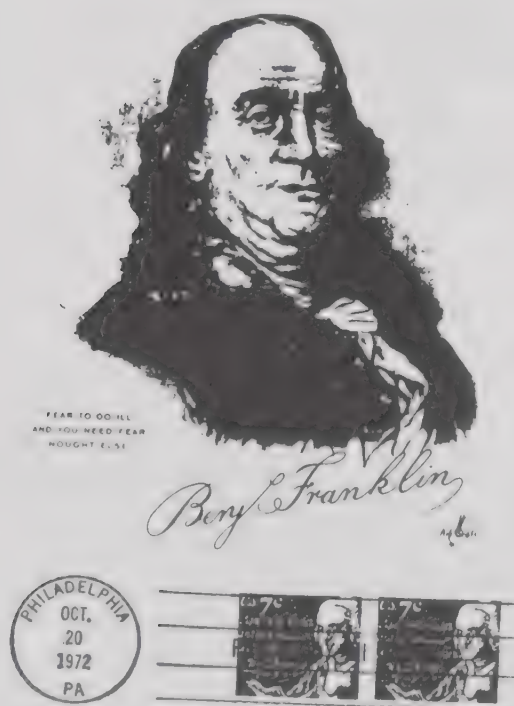

The 10th Annual Colorado Springs Coin Show (10-11 July 1993) souvenir card again depicts an item from Colorado's past: a \$50 general mortgage gold bond scrip for the Atchinson, Topeka and Santa Fe Railroad Company (original printed by the Franklin Bank Note Co. of New York). This year's card is \$4.00 post paid. In celebration of the tenth anniversary, a limited number of 10 card sets (1984-1993) are available for \$45.00. Also available is a card, produced for the ANA's 1993 Early Spring Convention, depicting a \$1 stock share on the "C.O.D. Gold Mining Company of the Cripple Creek mining district, and commemorates the centennial of the Charles Tutt and Spencer Penrose partnership. This card is \$3.00. All from Gerome Walton, P.O. Box 9833, Colorado Springs, CO 80932.

The Philatelic Society of Pittsburgh's 105th Exhibition and Bourse, PITTPEX'93, is noted by a card depicting a collage of WW I and WW II memorabilia with a USPS special show cancel on 1993 WW II stamps. Cards are \$1.25 mint, \$1.50 canceled, sets of 10 different stamps,

CHAPTER NOTES

WASHINGTON CHAPTER ONE

CHAPTER ONE

SOUVENIR CARD COLLECTORS SOCIETY

Chapter One's newly engraved logo.

I do read my mail! Since my article in the previous Journal, I have received many letters concerning our Chapter's Souvenir Meeting Card policy. **Bob Waszylsac, Mike Bean, Art Benjamin, Bill Kriebel...**and other officers also read their mail. The subject of many of these letters was the same!

While the intent of these cards is one of stimulating interest in our meetings, collectors have written expressing concern that they are being neglected. They feel, as members of our Society, that any promotions should be available to each of its members. The Local Society Souvenir Cards have just been assigned a classification category ("S") which agitates the situation, as these cards now become recognized as collectable.

Due to these events, we have reversed our policy and will attempt to accommodate those desiring the Chapter One cards. There is a limited number of cards left over from the past year, and all orders will be processed as long as the supply lasts on a first-come-first-served basis. We reserve the right to limit quantities. As with most societies, Chapter One's resources for handling such orders is limited. Please be patient! Please include a self-addressed mailing label and make payments to "SCCS Local 1." [Prices for the 1993 cards have been entered in the listing on pp. 46-48. S 1993 B, the "Generic" card has been sold out.]

The theme for next year's Meeting Card will be the vignette "Winged Allegorical Figure." We will also offer "Hand-Pulled" proofs for the first time. There will be no more than 100 of these proofs printed for each show! The theme

of this card will be "A Finished Masterpiece?". BEP engraver William Fleishell, who has consented to appear at several shows to autograph these "proofs," has recently finished engraving an uncompleted plate which will be illustrated in a future Journal.

1994 Chapter meetings and show participations:

1. 24-27 March 1994: Suburban Washington-Baltimore Coin Show at the Baltimore Convention Center. Meeting on 26 March at 1:00 pm.
2. 24-26 June 1994: NAPEX at the Sheraton National Hotel, Arlington, VA. Meeting on 25 June at 1:00 pm.
3. 3-5 September 1994: BALPEX at the Marriot Hunt Valley Inn, Hunt Valley, MD. Meeting on 3 September at 3:00 pm.

Next year (1994) we are offering a subscription for our Chapter's cards, and will allocate cards for those desiring to participate. All orders for this service **must be submitted by 15 January 1994** and no orders will be accepted after January. We will be using our membership at the upcoming shows to cancel, package and mail these cards.

"Generic" plus three shows, 4 mint cards:	\$20.00
Same FDSHC:	24.00
"Hand-pulled" Proofs, 3 mint cards:	24.00

METRO CHAPTER FOUR Michael Padwee (SCCS 512)

The poor attendance at the meeting held in conjunction with Mega Event does not appear to be limited to our Chapter [see **Art Benjamin's** comments on p.2 this issue]. Ideas for producing Chapter meeting cards, which seem to work for Chapter One will be discussed by the Chapter Board.

Mary Halsall of the BEP was at the meeting to report on the Flood Relief card; their plans for the coming year, including the silk handkerchief program; and a "special" card (to be issued about 1 July) which will honor the 100th anniversary of the BEP printing postage stamps.

[Most of the other news has been covered in other articles in this issue. Ed.]

ABNCo UPDATE

The 1994 Card program and subscription order form appeared the third week in October. Any members not on the ABNCo mailing list (free) should send their names to Paul Schmid (see page 48, bottom). Six of the cards will be philatelic—classic US stamps with corresponding engraving matching the portraits of Washington, Franklin, Jackson, Lincoln and Daniel Webster. Five will be numismatic, featuring bank notes from the states where the shows are held, plus two foreign notes. One additional card will feature an eagle hologram. (Forthcoming and available cards are listed chronologically on pp. 46-48 of this Journal.)

In addition to the 12 cards and three "limited edition" cards, ABNCo will be producing *The American Paper Money Collection*. It is believed that this will be a replacement for the *Archives* vignette series that appeared annually from 1987 through 1992 (SOA 1987 - 1992). Information on this offering will only be sent to names on their mailing list.

The decision as to which shows the company's representatives will personally attend remains unsettled, but the cards will be available at all shows for which they are produced, i.e., for show cancels. Incidentally, although the cards continue to be priced as last year, individually mailed cards ("shipped within two weeks of the show date") will cost \$1.50 more, each.

A new policy has also been established on the shelf-life of their cards: "Starting with the 1994 cards, the ABNC policy will be to remove all unsold souvenir cards from sale at the end of the following year, destroying any remainders. This policy will be retroactive. Thus, on December 31, 1993, all cards currently available that were issued in 1992 or earlier will be removed from sale." Members are advised if they wish to obtain any of these items direct from the source (apparently including those listed on page 14 of the last issue of this Journal) should contact the company before the end of this year.

Just in time for Christmas, a framed, double matted "St. Nicholas Bank of New York Stock Certificate" (overall approximately 18" x 14") is offered at \$89.00 plus \$6.75 shipping. The St. Nicholas-in-sled vignette engraving sits in the center of an elaborate border with helmeted figures in the upper corners. Unfortunately, for collectors who use albums, this item is only (currently) offered framed.

A set of 12 Christmas and holiday note cards (six different designs) with 13 matching envelopes is also available. The cards measure 7" x 4.75" and feature winter scenes including the St. Nicholas-in-sled vignette mentioned above. It sells for \$16.75 including shipping.

Merry Christmas!

WATERLOW STUDY CIRCLE

Alec A. Turner

The Waterlow Study Circle was formed in 1981 with the aim of investigating aspects of the stamps of all countries printed by Waterlow & Sons Ltd. and Waterlow Brothers & Layton. Since that time, there have been 29 issues of our Journal—edited (since 1983) by David Hubbard. Many aspects of Waterlow printing methods, regardless of country, have been published. Many areas of study remain which consist primarily of post-WW I countries.

Membership is £ 6.00 per year (+£ 2.00 airmail) and back numbers of the Journal are available for £ 2.00 each from the Secretary: Noel Lyons, 96 Lowther Drive, Enfield, Middlesex, EN2 7JR. [The group accepts £ or \$ bills in payment at current exchange, they advise, £6 = \$9.00 and £2 = \$3, so an airmail subscription is \$12.00. The Journal appears 3 or 4 times per year and is 30 to 40 pages of A4 paper (8.25" x 11.625"). Current membership is 50-60. Ed.]

The YVES BARIL STUDY GROUP was started in late 1992 in honor of the Canadian portrait engraver, Yves Baril, who has engraved over 200 postage stamps (Canadian, US, UN, etc.), as well as numerous banknotes. Three quarterly journals have been issued to date. Membership is \$5 and you will receive an autographed Baril vignette as a bonus. Three (3) different Baril's engravings are available:

1) **Eagle Perched on Rock**—Baril's version of the eagle from the obverse of the US 1861 \$50 interest bearing note, which later appeared in an ABNC Annual Report and on the 1983 BALPEX spider proof. This eagle is at least as beautiful as the 1984 BEP eagle series.

2) **Mexican Bridge Scene**—a proposed design or essay for the reverse of the 1969 five peso banknote.

3) **Cargo on the Levee**—a vignette. [All designs illustrated full size in SCJ, Vol. 13, No. 1, p. 24.]

A security printer, Borman Engraving of Cincinnati, printed (in black) 2,500 of each on a hand fed intaglio press and 1,000 sets of five (blue, brown, green, purple & red) color proofs of each—all printed on 8"x6" acid-free stock.

Black prints are \$5 each; five color proof sets are \$25 per set; set of 3 autographed, black prints (limited time only) are \$15 per set; set of 3 canceled 4 December 1992 (the official first day of the Study Group) franked with Baril's 35¢ Chavez stamp are \$16.05 per set. Please add \$1 per order for postage.

JOHN BAUGHMAN DENUNE (SCCS 1074), 234 East Broadway, Granville, OH 43023. (614)587-0276.

In the Winter 1991 Journal, Donald W. Hitchcox had a small item in his column about a coil plate number single stamp on an ANA 1990 (B 140) POC souvenir card. I looked in my collection and found a few POC cards with plate numbers. I have been lucky to receive these cards from the BEP through their subscription service. (See Figs. 1 and 2, below.) At this point, a little history about stamp production may be necessary as card collectors may not be stamp collectors.

Starting in 1981, the BEP began producing coil stamps with little plate numbers at the bottom of the central design. This number only appears on one stamp out of every 48 or 52 stamps depending on which press printed the stamps.¹ The USPS makes all the POC cards for the BEP. According to Mary Halsall,² 2,700 cards are given to the USPS for canceling. This number covers subscriptions, mail sales and those sold over the counter at the Visitor's Center. These cards are canceled at Kansas City and then given back to the BEP for distribution. It seems the USPS uses whatever first class stamp is in stock, either commemorative, regular definitive sheet or coil stamps.

In making POC cards, it appears that the BEP first use of coil stamps began with B 129, the 1989 ANA card. The stamp used was the 25¢ Yosemite coil (Scott 2280). Since then, I have a record of 16 POC cards which should have plate number coil [PNC] stamps on them:

SCCS	Card	Stamp	Plate No.
B 129	ANA 89	25¢ Yosemite	
B 132	STaMpsHOW	25¢ Yosemite	8
B 133	FUN 90	25¢ Yosemite	
B 135	ANA Mid	25¢ Yosemite	
B 136	CSNS	25¢ Yosemite	
B 138	ARIPEX	25¢ Yosemite	
B 139	DCSE	25¢ Yosemite	
B 140	ANA	25¢ Yosemite	
B 142	STaMpsHOW	25¢ Yosemite	2
B 143	WESTPEX	25¢ Yosemite	
B 144	HSNA	25¢ Yosemite	
B 145	FUN 91	25¢ Yosemite	
B 148	IPMS	25¢ Yosemite	
B149	ANA	29¢ Rushmore	2
B 151	STaMpsHOW	29¢ Rushmore	
B 165	FUN 93	29¢ Flag/W.House	2

I would be very interested in hearing from other collectors about any plate number coil cards in their possession (P.O.Box 157, Fords, NJ 08863). A photocopy would be nice and any help will be mentioned in my next article. I will also buy or trade for any cards I need for my collection. My next article will deal with USPS and other souvenir cards.
